Job Title	REQUIREMENTS
Shop Technician	<ul style="list-style-type: none"> • High School diploma • Experience using power hand tools and machines • Ability to work outdoors periodically • Ability to lift 50 pounds • Experience reading drawings and blueprints preferred • Manufacturing experience preferred

Job Summary:

Business is booming and we need to hire more first shift and third shift Shop Technicians at our state of the art headquarters located in Mason, Ohio!

Shop Technicians work in one or more of the following functional areas: **Warehousing, Saw/CNC, Fab, Assembly, Glazing, and/or Bunking.** They read and comply with basic instructions, check their work to ensure quality and meet deadlines and/or quotas. They may also perform routine mechanical assembly work involving the adjustment, trimming and/or fitting of parts to moderately close tolerances using power hand tools and/or machines. Shop Technicians are expected to comply with all Company and Safety-related policies and procedures.

Candidates must be able to successfully pass a written assessment, drug test and background check, be dependable and have a proven history of consistently delivering high quality results. They must also work well with team members in a fast-paced environment and be able to learn new skills quickly.

If this sounds like YOU, please apply through Staffmark by calling or texting 513.489-1688.

- Salary: \$13-\$15/hr. with opportunity for an increase based on performance after 90 days
