

## CNC OPERATOR

**LOCATION: Mason, OH**

### **BE AN EMPLOYEE OWNER AT THIS DYNAMIC CONSTRUCTION SUBCONTRACTOR!**

***Can you operate CNC machinery and produce quality parts to exacting tolerances all day? Do you take pride in producing on time and to specifications? If so, we want to speak with you about our position.***

As a **CNC / Machine Operator** for Pioneer Cladding & Glazing Systems, you will operate CNC machines with a focus on accuracy and efficiency. You will set up, adjust, select tools and holding fixtures. You will start and observe machine operation to detect malfunctions or out-of-tolerance machining as well as maintain and clean the machine to ensure the equipment is in optimal production condition.

To be considered for the position, you will have:

- High School Diploma or equivalent
- 3+ years of experience with set up and operation of CNC equipment
- Ability to read and interpret blueprints, drawings, and measuring equipment (i.e. tape measure, etc.)
- Ability to maintain machinery and equipment used in machining

Pioneer Cladding & Glazing is a spirited employee-owned and growing exterior facade company specializing in custom unitized curtain walls. Our innovative approach coupled with cutting-edge design technology has won awards as well as respect in our industry. The culture at Pioneer is employee-centric with a focus on engagement, productivity, and accountability. We recruit, hire, train, mentor, and retain the **best-qualified** individuals for each job. We are only as great as our people and we're proud to say we do have the best **and we're looking for more!**
